The screenshot shows a web browser window displaying a digital museum page. The page title is "Digital Museum 国学院大学デジタルミュージアム". The URL is "jmapps.ne.jp/kokugakuin/pict\_viewer.html?data\_id=160160". The main content area shows a circular object, likely a coin or medallion, with a detailed design. Below the object, there is a "拡大" (Enlarge) button. A blue arrow points from the first instruction to this button. The image viewer window is open, showing the same circular object at a larger size. The toolbar at the bottom of the image viewer includes a download icon (a downward arrow with a square) and a status bar showing "[縦:536px 横:536px 45%]". A second blue arrow points from the second instruction to this download icon. Below the image viewer, there is a table with the following information:

目録番号	628

The Windows taskbar at the bottom shows the search bar with "ここに入力して検索" and the system tray with the time "11:04" and date "2025/03/28".
